# School Uniform, Appearance and Equipment Policy and Code

## Introduction

It is St Osyth Church of England School policy that all pupils enrolled at the school wear school uniform when attending school or participating in a school event outside normal school hours unless informed by the school otherwise.

The wearing of full school uniform is expected as an integral part of the school ethos, positive attitudes, high standards and a sense of personal pride.

## Aims and Objectives

Our policy is aimed to be fair and reasonable. A subsidiary objective is to prevent the cost or type of school uniform becoming a barrier that deters parents of any background from seeking a place at this school. We have formulated this policy to ensure that pupils are not disadvantaged due to their gender or disability, or social, religious or racial background.

Our policy for school uniform is based on the notion that school uniform:

- Promotes a sense of pride in the school
- Engenders a sense of community and belonging towards the school
- Is practical and smart
- Makes children feel equal to their peers in terms of appearance
- Is regarded as suitable wear for school and is considered by parents as good value for money
- Is designed with health and safety in mind.

## School Uniform

The school is committed to ensuring fair access to school uniform by selling items as cost effective as possible and also the provision of a second hand school uniform shop.

Parents are also encouraged to compare prices at general outlets and retailers.

Via Anglia Sports Wear, <http://www.yourschoolwear.co.uk/>, we sell items such as sweatshirts, cardigans, T shirts, sun hats, fleeces and book bags.

The school will consider exceptions to our uniform policy on religious and/or cultural grounds, These must be made in writing and submitted to the headteacher. The headteacher's decision on such exceptions is final.

**Children not wearing school uniform will be dealt with in line with the school behaviour policy.** For example, children not wearing school shoes will be given a little time to get some school shoes and if they persist in not doing so then they will need to wear their PE plimsolls in school instead.

### **The role of parents**

We request all parents who choose their child to attend our school to comply with our school uniform policy. It is the responsibility of parents/guardians to ensure that their child has the correct uniform which is clean and in good repair and appropriate appearance.

If any parent wishes to make representation for special dispensations for their child wearing school uniform they should approach, in the first instance, the Headteacher by letter. The school welcomes children from all backgrounds and faith communities. If there are serious reasons on religious, moral or health and safety grounds why parents want their child to wear clothes that differ from the school uniform or differ in their appearance, the school will consider such request fairly and sensitively.

### **The role of the Local Governing Body**

It is the Local Governing Body's responsibility to ensure that the school uniform meets all the regulations concerning equal opportunities.

### **Monitoring and Review**

The Local Governing Body will monitor and review the school uniform policy and will liaise when appropriate with the Headteacher.

Day to day monitoring of the implementation of our policy will be the responsibility of all staff.

Pupils who do not comply will be subject to the following stages:

- Stage 1 Gentle reminder in the first instance of non-compliance
- Stage 2 Internal sanctions such as loss of Golden time, wearing of plimsolls instead of school shoes etc.
- Stage 3 Parents invited to make representation and appropriate action considered by school

This policy which has been formulated by a process of open consultation with pupils and parents, including School Council, and endorsed by the Governing Body/IEB, will be reviewed regularly.
