- Mrs Silvester's maths group will also have a daily follow-up maths lesson that will not be live.
- All SEN provision in line with One Plans.
- Weekly home learning to be given on a Friday – It is designed to support the children's routine and to consolidate learning.
- Please wait for an invite from your class teacher.
- Where a particular teacher is named for English and maths, this means that the children in that group have specific provision. You will receive a Teams invite from that specific teacher.

- You will receive an invite for phonics sessions. If your child has a different teacher than they usually do, this is because we have reduced the sizes of the groups.
