| 9   | anonymous | Church values Good teachers Location  |
| 10  | anonymous | It is a small friendly school where the staff know the children and the children know many other children from different phases. They have so many lovely opportunities such as the reindeer coming to the school for Christmas etc |

|    |           |  |
|----|-----------|--|
| 11 | anonymous | * Taking into account a child's friendships and parents staff choices when it comes to the following years * Embracing the chickens and visitor cat * The food at lunch times seems to change and children are encouraged to eat other things. Food seems good quality. * We like Golden awards however the reward comments perhaps can sometimes be a bit more encouraging. |
| 12 | anonymous | I am very happy with the school as a whole since [REDACTED] has started. He is always happy to go to school. His teachers are always friendly and approachable.  |
| 13 | anonymous | Teachers go above and beyond. The senior management/leadership is very strong. The children are friendly and majority well behaved.  |
| 14 | anonymous | Christian values School security Transport   |
| 15 | anonymous | My child never comes away unhappy , the school has improved my child's learning , all staff are amazing  |

| 1    | anonymous | We could physically be there!  |
| 2    | anonymous | They could help me with my children going to school while I work and I struggle with child care.   |
| 3    | anonymous | Covid went away and we could return to normal  |
| 4    | anonymous | There were more rewards. For example secondary school have a weekly English competition for best book review and there are three chosen winners from lower, middle and upper school and they win a book of their choice from Amazon up to the value of £10. Another where teachers put all the children forward who have done well in certain subjects that week and they go into a weekly draw to win a £5 Amazon voucher. Gives them more incentives especially during lockdown. |
| 5    | anonymous | Involved the church more - like it used to be . Actual homework was set on purple mash or times tables rock stars, to avoid children losing the bits of paper. Of course you could give printed copies to any child without Internet access  |
| 6    | anonymous | Improved communication to parents  |

|    |           |  |
|----|-----------|--|
| 7  | anonymous | * If parents can continue to receive mid term feedback about how children are doing, it would benefit both children and parents to enable the support of children at home and understanding where and what is happening for your child. * All children to be able to have an opportunity to become involved in a vegetable garden and growing own veg and plants. Maybe a veg patch for each year group and then make the vegetables available to low income families. * Choir/singing opportunities for younger children...from reception onwards. * Leadership opportunities in other areas of the school for all KS2 and up e.g. "library assistants/ veg patch coordinators/ coat patrol/ environment leaders...(recycling/ litter picking/ educating others) It really encourages independence, leadership and ownership. *. More recycling opportunities for the children and parents...a bit like Tendring Primary. |
| 8  | anonymous | I have no negative comments to write here as if I have had any concerns I have spoke to teachers and it is been dealt with so far.   |
| 9  | anonymous | You could Ofsted the parents!  |
| 10 | anonymous | Communication from teachers improved Feedback on issues raised improved Support for individuals improved   |
| 11 | anonymous | N/A  |
| 12 | anonymous | More staff   |
| 13 | anonymous | More notice about the golden awards. Do them for the following week not the same week.   |
| 14 | anonymous | If we had more senco staff   |
| 15 | anonymous | Refurbish the pool, enforce parking exclusion areas during school run  |

| 1    | anonymous | Having children that are from single parent families that have to work but are not key workers.   |
| 2    | anonymous | More rewards, especially during lockdown.   |
| 3    | anonymous | Once things are more normal and you can have school fetes again- could we please have curry and rice served from the school kitchen at the Christmas fate.  |
| 4    | anonymous | Please see questions 14 and 15.   |
| 5    | anonymous | I liked the fact you invited parents in to see what children do at school prior to covid. Eg, when I went after school to see what maths activities [REDACTED] was doing in school.   |
| 6    | anonymous | The school was very quick to sort and support homeschooling.  |
| 7    | anonymous | I think children lunch time needs to be better looked as know my child may not eat there pack lunch as want to go play ect. I think children should be aloud suggar free squash as there drink as my child suffers water infection and does not like water as much as a teacher will say they drink the water I know my child does not as his bottle will be either full or empty |
| 8    | anonymous | I think you should make sure the children come out on time at the end of the day. Some classes come out 10 minutes late. Not fair if we have somewhere else to be and not fair when you expect us and the children to be on time but you can't give us the same courtesy.   |
| 9    | anonymous | This is the only school that actually listened about my worries about my son and are giving him tbe help he needs   |
