Monday 25<sup>th</sup> April 2022

Dear Parents / Carers,

This year, we celebrate the Queen's Platinum Jubilee. How exciting! Staff and children at St Osyth Church of England Primary School are going to mark this momentous occasion with a '2022 style' street party. This will take place at 3.30pm until 5.30pm on Monday 6<sup>th</sup> June on the school field.

Our fabulous PTFA are working with us to run this event and ensure that it is a real family affair. Thank you PTFA!

The celebration will include a 'street party' family picnic, where the children will have made bunting, crowns, table cloths and traditional memorabilia to use. We are asking that all children and families wear red, white and blue for the occasion. The children can wear their red, white and blue clothes for the whole day at school.

We also have a local band, who will be playing 50's and 60's style music – music fitting the coronation era. Our children will learn a dance to perform and enjoy on the day, to go along with the music. There will be an ice cream van, tea and cake tent, inflatables and more!

We are inviting all children's families to our celebration. This includes mums, dads, brothers, sisters, nans, grandads, aunts and uncles! You are all welcome. There is no entrance fee. Please bring your own picnics, to enjoy all together, picnic blankets and chairs to sit on. You are welcome to purchase teas, coffees, soft drinks, ice creams and cakes. Whatever money we raise from the selling of refreshments, will go towards running costs for the day. All proceeds will cover costs.

We are asking that families donate cakes for the cake stall on the Monday – in the same way that we do for a school fayre. These will be the cakes sold and enjoyed at the street party. Please support us with some delicious donations.

Hopefully, this will be a thoroughly enjoyable family event and one that will unite our community now that restrictions have been lifted. How memorable for us all to celebrate the reign of our longest serving Queen.

Look out for posters over the next two weeks, designed by the children, who are already excited!

Yours sincerely

The St Osyth Team.
