Dear Parents/Carers,

On Tuesday 18th October 2022, Years 1 and 2 will be travelling through time, back to the year 1666. On this day, our children will experience a day full of fun activities related to the Great Fire of London and what life was like in the 17th century- provided by 'Those History People'. We will experience a range of activities which involve: practical making activities, role-play and drama giving the children a real sense of living life in the past.

We really hope the children will enter into the spirit of the day and come dressed up as children from the 17th Century! We have suggested some costume ideas on the right. These costumes can be handmade; please don't feel the need to buy anything new. It will be an active and busy day so please ensure that the children's costumes are comfortable.

We are asking parents/carers for a contribution of £9.82 towards the trip, payable online through School Money by 27th September 2022. This is to cover the cost of the visitor and the materials that your child will use on the day.

If you would like to help out on the day, please indicate this via the online form. If you have any further enquiries regarding the day, please speak with your child's class teacher.
