1. Introduction and Scope

This policy sets out how requests for leave of absence will be managed. The Vine Schools Trust (VST) recognises that on occasion there may be circumstances where employees need to request time off during term time. If this is the case, employees must ensure this policy is followed when making such a request. Each request will be considered on its own merits in accordance with this policy.

Where an individual makes excessive requests for leave of absence this will be monitored by the VST and any appropriate action taken. The policy applies to all employees. It does not apply to volunteers or individuals supplied through an agency.

Leave of absence falls into three main categories for the purposes of this policy. The tables in the Appendices attached to this policy detail the types of leave of absence that may be requested and indicate whether the leave of absence is:

- Statutory - where there is a legal entitlement to some leave
- Contractual - where there is an entitlement as part of the employees' terms and conditions
- Discretionary - where there is no entitlement but the headteacher/Local Schools Board (as applicable) may agree to grant leave of absence after considering the circumstances.

For statutory and contractual leave, the table sets out the legal/contractual entitlement to leave and whether leave is paid or unpaid.

Where leave of absence is discretionary the headteacher will consider the request and decide:

- Whether to grant the leave
- How much leave to grant
- Whether the leave will be paid or unpaid

Once a decision has been made, this will be communicated to the employee as soon as possible.

2. Procedure for applying for leave of absence

Requests for leave of absence should be submitted by completing an Absence Request form. Copies of the form are also available from the school office.

Applications should be submitted to:

School Employee	Line Manager Head of School Headteacher
Headteacher	Chair of LSB (from LSB if in place or Trust Board) CEO
Trust Employee (Central Services)	Line Manager CEO

Note 1: The term “Headteacher” is used to identify the person with responsibilities of headship within each School, who may be referred to locally as Headteacher, Principal, Executive Headteacher, or Executive Principal.

The employee must give as much information as possible when considering the request and indicate whether they are requesting paid or unpaid leave to assist the manager in considering the request and making a decision.

3. Notice requirements

Specific notice periods are mandatory for some types of leave (e.g. maternity, paternity leave) and these are indicated in the leave tables below, together with the reference point for further information.

For all other leave, employees should request leave of absence with as much notice as possible, and in any case in accordance with following timescales.

Length of leave of absence requested	Minimum Notice required
Up to 5 days	1 week
5 days and over	1 month

4. Emergency leave requests

In certain circumstances it may not be possible for the employee to request the leave of absence, in writing, in advance.

In these circumstances the employee should follow the agreed procedure in their school. [E.g. telephoning and speaking to the headteacher/their line manager to discuss the reasons for the request for leave of absence].

An initial decision whether leave of absence is granted to cover the initial emergency situation will be made and notified verbally to the employee. A written record of the details of the request for leave of absence and the decision regarding the granting of any leave of absence will be made. The record will be signed by the employee on their return to work. This will then be kept on the employee’s personal file.

5. Considering leave of absence requests

The appropriate person will, on receipt of a leave of absence request, consider the request in line with this leave of absence policy, the particular circumstances of the case and any operational requirements of the establishment. They will also take into account any other relevant factors including:

- how many previous requests have been made by the employee and for what reason
- whether any previous requests for absence in the same circumstances have been approved, how many, for how long and whether the leave was paid or unpaid
- how similar requests from other employees have been dealt with
- whether they are setting a precedent for how similar requests will be dealt with in future

The appropriate person will notify the employee in writing, as soon as possible, of the decision. The approval section on the Absence Request form should be completed and signed and a copy of the form will be provided to the employee.

If the request is not agreed the employee will be notified that they have the right to appeal against the decision.

The request for leave of absence and a copy the decision will be placed on the employee's personal file.

6. Appeals

Employees have the right to appeal against a refusal to approve a leave of absence request or against a refusal to approve paid leave (where the time off has been granted as unpaid leave). Appeals should be submitted within 5 days of receiving the decision.

Any appeal lodged against a decision relating to a request for leave of absence will be heard by:

****A "Panel" can be a single individual or any number of individuals from the relevant group. Specify below.**

School Employee	Headteacher
Headteacher	CEO LSB Panel**
Trust Employee (Central Services)	CEO/DFO Trust Panel

Note 1: The term "Headteacher" is used to identify the person with responsibilities of headship within each School, who may be referred to locally as Headteacher or Executive Headteacher. The employee and their chosen representative (normally a representative from a recognised trade union or work colleague) may attend any such appeal meeting to make representation.

The decision at Appeal will be final.

7. Unauthorised absence

Employees who take time off work without following the appropriate procedure for requesting leave and/or who take time off without receiving appropriate approval may be subject to disciplinary action in line with the disciplinary procedure.

Employees who take unauthorised absence will not receive payment for such absence other than in exceptional circumstances.

7.1 Impact on Pension

When a Pension Scheme member has unpaid leave of absence, the period of any such leave will not count towards their Pension.

Members of the Local Government Pension Scheme can buy back any period of authorised unpaid leave through an Additional Pension Contribution (APC) contract. [LGPS member site](#)

Members of the Teachers' Pension Scheme can purchase additional pension subject to a minimum amount. [Working Life | Teachers' Pensions](#)

8. Data Protection

When an employee makes a request for leave of absence under this policy, the Trust will process any personal data collected (including written records of meetings held under this process) in accordance

with its data protection policy. In particular, the Trust will only record personal information required to deal with the employee's request for leave of absence and keep this information only for as long as necessary to deal with the request. Data collected as part of a leave of absence request is held securely and accessed by, and disclosed to, individuals only for the purposes of responding to leave of absence requests.

On the conclusion of the process, data collected will be held in accordance with the Trust's retention schedule. Inappropriate access or disclosure of employee data constitutes a data breach and should be reported in accordance with the Trust's data protection policy immediately. It may also constitute a disciplinary offence, which will be dealt with under the Trust's disciplinary procedure.

Interviews	If an employee not at risk of redundancy requests time off to attend an interview, this will be considered on a discretionary basis.	Time off is discretionary	Pay is discretionary	
Moving house	Employees should make all efforts to move house outside of their normal working hours. Where this is not possible or where an employee is moving to take up his/her post at the academy, sympathetic consideration will be given to considering a leave of absence request.	Time off is discretionary	Pay is discretionary	
Religious observance	The employer recognises the importance of religious observance and will attempt to accommodate the needs of the employee, including for example, time away from work during the day for prayer or to accommodate periods of fasting. Employees whose religious duties are not covered by weekends or the current statutory bank holidays may request time off for religious festivals.	Time off is discretionary	Pay is discretionary	
Weather – severe conditions	Where severe weather conditions prevail, employees are expected to make every effort to attend work, using alternative modes of transport where necessary. Where an employee, arrives at work late and/or has to leave work early as a result of the conditions, this will normally be treated as a normal full working day (unless otherwise notified). Employees who are genuinely unable to attend work should wherever possible and with the agreement of the Headteacher work from home or request leave of absence which will be considered on a discretionary basis. Appendix 7 Example letter refusing leave of absence

Dear

I have today received your leave of absence request form, requesting unpaid leave from **[enter dates]**.

I have considered your request in line with the School’s Leave of Absence policy and the reason you have given for the requested leave. I regret that I am unable to authorise your request for unpaid leave on this occasion due to **[insert reason e.g. operational requirements and the inability to provide cover during this period of absence OR it is school policy that term time only employees are not permitted to take time off for holidays outside normal closure periods (only if this is your policy)]**.

You have already indicated to me that you intend to take this leave even though the leave of absence request has already been refused as outlined above. It is important to note that on your return you may be subject to disciplinary action as the leave has not been authorised.

You have the right to appeal against a refusal to approve a leave of absence. Appeals should be submitted within 5 days of receiving this decision.

Any appeal lodged against a decision relating to a request for leave of absence will be heard by the LSB Staff Appeals Committee.

The employee and their chosen representative (normally a representative from a recognised trade union or work colleague) may attend any such appeal meeting to make representation.

The decision of the LSB Staff Appeals Committee will be final.
