23rd January 2024

Dear Parents / Carers,

As part of our 'Amazing Animals' topic next half term we will be having Animal Workshops Mobile Zoo visit our Reception children. This will be on Tuesday 27th February, for the morning.

Animal Workshops Mobile Zoo have a huge range of animals who all love to come out and meet people. During their visit we may get a chance to meet anything from Fifi the bull frog, to their exotic furry animals like Roo and her family of meerkats or Petal the skunk! They have everything from spikey hedgehogs to cute little mice. We may even get a chance to meet some reptiles like Bruno the python or Simon the blue tongued skink. Or possibly Matilda the tarantula or Speedy and Turbo their giant snails. We will have to wait and see who comes to visit us!

Animal Workshops Mobile Zoo can not guarantee which animals will visit as it depends on how the animals are on the day but here is a list of all of their animals; Meerkats, Prairie Dogs, Skunks, Polecats, Rabbits, Guinea Pigs, Mice, Hedgehogs, Tortoises, Lizards, Snakes, Frogs, Tarantulas, Scorpions, Giant Stick Insects, Giant Snails, Giant Millipedes, Hissing Cockroaches.

If your child has any allergies or you think they may be scared of any of the animals please write this on the bottom of this form and let your child's class teacher know before the day of the visit.

The cost of this visit is £7.27 per child. Please pay this voluntary contribution by Friday 16th February. School budgets can not, we regret support such great learning events, without parental contributions.

With kind regards,

Reception team.
